RE: File #1999-02071

Dear Ms. Barnes:

The Department of Environmental Services ("DES") has reviewed the documentation and photographs submitted in response to Letter of Deficiency # 2004-47 relative to work on the above referenced property, more specifically referenced on Town of Gilford Tax Map 218 as Lot 20 (the "Property").

The review of the items submitted has determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,
